

*If you...
Your children...
Your grandchildren...*

... or someone special to you, were born at the Queen Elizabeth II Hospital, the Grande Prairie Hospital, or the Kathryn Prittie Hospital, we invite you to "Leave a Legacy with your Birthplace".

More than 1700 miracles happen every year at the Queen Elizabeth II Hospital with each baby that is born here. And now, you can celebrate this joyous occasion in a very special way.

With your help, we can not only commemorate the "Miracle of Birth", but we can also buy medical equipment that our Queen Elizabeth II Hospital would not otherwise have in these times of fiscal restraint.

*"You are
Helping us
Raise
Money
for
Miracles"*

Your donation of \$125.00 will purchase a "Precious Footprint" engraved with the newborn's name and birth date.

"The Footprints", which are pewter and 8cm x 5cm, will be placed on our "Cradle Wall" located on the main floor of the Hospital. The featured "Cradle Wall" was designed and painted by local artist *Tim Heimdal*. These "Precious Footprints" make a wonderful gift to your special miracle and to the entire community.

*Thank You for your
"Gift of Love"*

*Please help us go
one step forward...*

Complete this form with your enclosed payment of \$125.00. Mail it or drop it off at the QE II Foundation located on the main floor of the Queen Elizabeth II Hospital.

People Helping People

The Queen Elizabeth II Hospital Foundation was established as a registered charity in 1986 to receive, maintain and distribute funds raised by personal donations, grants, capital projects and special event fundraising.

The Hospital Foundation welcomes all contributions, the amount is not important. Your action and participation is what is so essential.

If you have questions about philanthropic giving, please call the Foundation and our staff will be pleased to assist you with any questions you may have.
