

Employee Payroll Giving Program Frequently Asked Questions

How much of my Donation actually goes towards the Hospital?

100% of your donations go directly to the QEII Hospital Foundation to assist with the equipment needs and programs of the QEII Hospital.

How do I get Funds directed to my Department?

When you sign up for the Employee Payroll Giving Program you can indicate to the QEII Hospital Foundation exactly where you would like your funds to be directed. We will match your gift to the closest fund specified. For a full list please visit our office.

Will I get an Official Tax Receipt with this Donation?

Yes, a Tax Deductible receipt is issued for your gift on your T-4 Slip.

Why does the QEII Hospital Foundation Exist and do other Hospitals have Foundations?

The QEII Hospital Foundation has raised more than 10 million dollars since we started in 1984. Each donation goes towards the much needed equipment, programs and educational needs of your hospital and staff. Your gift really does make a difference in this hospital, *your* hospital.

The QEII Hospital Foundation is a registered charitable organization that is the fundraising arm for the QEII Hospital. As government legislation does not allow hospitals to accept donations, all major Health Care Centres have a fundraising body.
